

Montana AMBASSADORS

**Governor Brian Schweitzer's
Office of Economic Development
&
The California Chapter of the Montana Ambassadors
Invite you to a
“Life Sciences Technology Event”
An Evening of Collaborative Thought, Leadership & Opportunities**

Please join us for this special event that will focus on connecting California and Montana Life Sciences companies, including startups and well-established firms. Representatives of Montana communities and the Governor's Chief Business Development Officer will be part of the activities.

This informative evening will include a number of quality speakers, who will provide high level overviews, real answers, and most importantly, personal introductions.
